Quiz

Read the following passage then answer the questions below:

People can travel in different ways. Travelling by plane is easy and comfortable. It saves your time and effort. You can sleep while traveling by plane. But it is the most **expensive**; it can cost thousands of dollars. Travelling by car is very interesting. You can go whenever you want and stop in any place you want. You can enjoy the views of the nature and it is not so expensive. Sometimes traveling by car is boring because **it** takes a long time to travel from one country to another. Also you may get tired by the time you arrive. It's not safe to travel by a car at night. I think travelling by ship is the most dangerous. The high waves and the scary scenes frighten people and it takes long periods of time.
