

Reading Comprehension

Read the following passage then answer the questions below:

Dr. Saleh Al Ojairi was born in 1920. He is a unique Kuwaiti astronomer who loved to learn about the stars. When he was four years old, his father sent him to school to learn reading, Quran, and math. Then he sent him to the desert to learn horse-riding, shooting and other skills. When he was 18 years old, the book “Al-Manaheg Al Hamedia” by the Egyptian writer Ghaith Abdul Hameed, changed his life. He met the writer and asked him many questions. Then he finished his University studies in Egypt. His love for nature like rains, winds, lightning, and darkness pushed him to learn more about astronomy. He wrote many books and diaries and got many medals.
